

BEAM MAKES THE CASE

Beam Fit with MagSafe is designed and engineered for demanding healthcare, retail, and field service professionals using iPhones to manage workflows, such as EHR administration, inventory management, secure texting, and camera-based scanning.

Our polycarbonate case is ready to be dropped. Beam Fit is designed for IP54 to mitigate dust and liquid incursion.

Beam is lightweight, durable and designed to resist the effects of the cleaners and disinfectants used in the most rugged environments. Patent-pending design.
