

BEAM MAKES THE CASE

Built initially for hospitals, our products feature disinfectant-ready plastics for safe cleaning and swappable batteries for long shifts. Our durable polycarbonate cases have been dropped down everything from elevators to atriums.

BEAM FOR IPHONE

- iPhone models for SE, 13, 14 & 15
- Advanced drop protection and integrated screen protector
- Splash-resistant case washable with all major cleaning solutions
- Externally replaceable battery packs to extend battery capacity
- Charging docks available for single or multiple devices
- Beam data ports allow for group provisioning and sync

BEAM FOR IPAD

- iPad models for the 10.2 (8th & 9th gen.) and iPad Air (4th & 5th gen.)
- Built with the same protection and cleaning specs as Beam for iPhone
- Access to iPad buttons, ports, and cameras for easy operation
- Secured with four (T7) Torx screws to restrict access
- Easily connect to any VESA-compatible mount
- Shoulder strap kit available
