

BEAM MAKES THE CASE

Beam is designed for demanding healthcare, retail, and field service professionals using iPhones to manage workflows, such as EHR administration, inventory management, secure texting, and camera-based scanning.

Our polycarbonate battery cases are ready to be dropped. Beam is also designed for IP54 to mitigate dust and liquid incursion.

Beam is lightweight, durable and designed to resist the effects of the cleaners and disinfectants used in the most rugged environments. Patent-pending design.

BEAM iPhone SE

DURABLE & PROTECTIVE

Made with the highest quality industrial grade materials, Beam is a 6' drop-rated, splash-resistant battery case with screen protector.

CHARGEABLE

Swappable and rechargeable 2100mAh batteries to keep you going on long shifts. Beam charge docks are available, and we are also compatible with multi-bay charge and sync cabinets.

CLEANABLE

Resists the corrosive effects of cleaners and disinfectants including PDI, Clorox & Caviwipes, and other bleach, alcohol, peroxide and ammonia based solutions.

TRUSTED

Beam cases have been put through years of testing in demanding environments. We are a proven partner for your mobile device deployment.
